

Front-End Web Developer, I possess a strong foundation in HTML, CSS, JavaScript (ES6), React, and Next.js, acquired through self-study and personal projects. Eager to apply my technical skills to real-world projects and contribute fresh perspectives to web development teams. I have a demonstrated ability to learn quickly and adapt to new technologies, making me a dedicated and dynamic candidate for entry-level roles. Excited to start my career in web development, I am open to internships or junior positions where I can learn and grow.

S MUZAMMIL JAVED

Father's name: MUHAMMAD JAVED

Gender: Male
